**Civic, Churches, Service Clubs,
Governmental Agencies**

\$150

Service Clubs (no paid staff)

Participation Opportunities

Ambassador Team

The ambassadors assist at most networking functions. They develop new contacts and get to know fellow business people by participating in monthly meetings of the membership.

Governmental Relations Forum (GRF)

Every 2nd Thursday of the month—This open forum monitors legislative issues and seeks action from the board of directors on important city, state and national business-related legislation or regulations that impact your ability to do business. A good committee for those who want to ensure their voice is heard.

Economic Development Forum (EDF)

Every 2nd Thursday of the month—This open forum meets monthly with city and school representatives to discuss issues that affect the vitality of the Upland business community. This committee's primary responsibility is to create and support a positive business climate. This is an informational committee only.

First Friday

First Friday of every month—A fast-paced networking event. It's exciting, entertaining and an early morning must for anyone seeking to network with other business owners and professionals.

Chamber 101

Third Wednesday of every month—"What can the Chamber do for you?" Learn from the Chamber staff on how to utilize the website, make reservations online for Chamber events and place coupons on the website for members and the community. Learn how to place your own community event two months in advance to promote your event. You can even learn how to add search words to attract more businesses to find your business page. Also, learn how the Chamber uses social media to promote their events and yours too!

Visit our Chamber website for current events calendars and community calendars of member events.

If you have extra time you can...

Participate in one of our many committees.

Work with special events or join the Ambassador Team.

Helping Business Do Business

Benefits to our new members continue to grow. With new programs, networking opportunities, marketing tools, and business resources we are truly a Chamber alive with excitement and vision.

We invite you to join us and "get connected" as we continue our vision for the future of Upland Chamber of Commerce members and City of Upland residents by:

- Creating a stronger local economy
- Promoting the community
- Providing networking opportunities
- Representing the interests of business with government
